

I-95/State Road 9 Widening, from just north of State Road 60 to the Indian River/Brevard County Line

Project Description

The Florida Department of Transportation (FDOT) completed this design/build project on June 1, 2018 which added one general purpose lane in each direction on the existing median throughout the project limits. The project included milling/resurfacing of the existing pavement; removal/replacement of the existing bridges over CR 512; construction of a noise barrier wall adjacent to the Encore Sunshine Travel RV Resort; and reconstruction of the interchange at CR 512; including ramps, turn lanes, ITS, signalization and lighting improvements.
