RoadWatch Advisory

LEE COUNTY

SR 867/McGregor Boulevard at A&W Bulb Road: Construction project: This intersection improvement project installs a new traffic signal at the intersection of SR 867/McGregor Boulevard and A&W Bulb Road. Work includes a new traffic signal, median modifications and resurfacing. The improvements also add sidewalks, signs and pavement markings.

- **Motorists traveling southbound on McGregor Boulevard should expect a 15-minute delay anytime between 9 a.m. and 4 p.m. Saturday, May 14 for crews to install a signal mast arm over the roadway. Once installed, the signals will enter flash mode for 48 hours. The signal is expected to be functioning for traffic Monday, May 16.** This schedule may change due to inclement weather and unforeseen underground conditions. If conditions do not allow work to occur on Saturday, motorists should expect the closure on Monday, May 16 with the signal functioning on Wednesday, May 18.
- **Motorists should expect lane closures during daytime hours from 9 a.m. to 4 p.m. and during nighttime/overnight hours from 7 p.m. to 6 a.m. through the duration of the project.**

Drivers should use caution traveling in this area. Estimated project completion is early summer 2016. The Contractor is Wright Construction Group.
