Complete closure of Currie Road canceled

Palatka – A planned complete closure of Currie Road in San Mateo today through Tuesday is canceled. The closure at U.S. 17 for drainage work will be rescheduled in the next few weeks.

The planned work is part of the ongoing two-mile long project to widen U.S. 17 to four lanes from State Road 100 in San Mateo to Horse Landing Road in Satsuma. Construction also includes building a 12-foot-wide bike and pedestrian path on the eastside of U.S. 17. The \$13.8 million project by the Florida Department of Transportation (FDOT) is scheduled to be complete by late 2017.

FDOT urges caution while driving through construction zones. The speed limit has been reduced to 45 miles-per-hour throughout the project limits for the duration of work. Speeding fines are doubled in construction zones when workers are present.
