Traffic Switch on State Road 97 at Little Pine Barren Creek

Chipley, FL – Traffic on State Road 97 over Little Pine Barren Creek in Escambia County will encounter intermittent lane restrictions Tuesday, March 8 as crews make preparations and transition traffic back onto the new bridge and begin demolition of the temporary detour structure.

This work is part of a \$2.5 million contract to replace the existing bridge on S.R. 97 over Little Pine Barren Creek, milling and resurfacing, guardrail, drainage, new signs and pavement markings.

All activities are weather dependent and may be delayed or re-scheduled in the event of inclement weather. Motorists are reminded to use caution, especially at night, when traveling in a work zone and to watch for construction workers and equipment entering and exiting the roadway.
