Bridge Inspection over Bayou Chico Bridge

Chipley, FL – There will be lane restrictions on State Road 292 (Barrancas Avenue) over the Bayou Chico Bridge, in Escambia County Wednesday, April 27. Lane closures will be in effect from 9 a.m. to 3 p.m. as crews perform a routine inspection.

Routine inspections are one tool the department uses to provide a safe transportation system, an example of the dedication to making travel in Florida safer and more efficient.

All activities are weather dependent and may be delayed or re-scheduled in the event of inclement weather. Motorists are reminded to travel with care through the work zone and to watch for construction equipment and workers entering and exiting the roadway.
