## Fairfield Drive Improvements Begin

---

Chipley, FL – Construction activities began along two sections of Fairfield Drive (State Road 727) in Escambia County earlier this week. The project includes construction of an eastbound, right turn lane on Fairfield Drive at the intersection of North 65th Avenue, a five-foot sidewalk on the north side of the roadway at the intersection and drainage improvements. Sidewalk will also be constructed on Fairfield Drive between 61st Avenue and 69th Avenue.

Motorists can expect lane restrictions, however, there will be no work requiring lane closures performed between 7 a.m. and 8:30 pm. The project is anticipated to be complete summer 2016.

All activities are weather dependent and may be delayed or rescheduled in the event of inclement weather. Drivers are reminded to use caution, especially at night, when traveling in a work zone and to watch for construction workers and equipment entering and exiting the roadway.
