Texar Drive Pedestrian Bridge Improvements

Chipley, FL – Construction activities will begin on the State Road 752 (Texar Drive) pedestrian bridge in Escambia County the week of July 18, 2016.

The rehabilitation project will include cleaning the structure and replacing the fence along the overpass and ramps. Access to the bridge will be closed for approximately one month while improvements are made. Intermittent lane restrictions will occur. Eastbound ECAT bus stops located at the overpass will be temporarily relocated just west of N Miller Street. Drivers are reminded to watch for construction workers and equipment entering and exiting the roadway.

Construction activities are weather dependent and may be rescheduled in the event of inclement weather. For more information, follow the Florida Department of Transportation District Three on Twitter @myfdot_nwfl or like us on Facebook at www.facebook.com/MyFDOTNWFL.
